

Holiday Giving

Many of our MOMS hard-working families wonder what basic needs they can pay for each and every day. During the holidays is a particularly stressful time for them, and a perfect one for you to give the gift of peace of mind. MOMS helps you support families' basic needs through **two inspiring giving events**:

Holiday Giving Program

Spread holiday cheer during the holidays by organizing a donation drive for your business, family or community group! Your generosity will help MOMS Orange County families receive baby care essentials that often pose a daily struggle for them to provide their newborns.

Every single donation makes a big impact. Working together means we can give babies the best possible start in life for a bright destiny!

Adopt a MOMS Orange County Family

We match you with one of our 3,000 families most in need. You get their wish list of necessities and you choose one or more items from the list you would like to gift your adopted family.

MOMS will make sure your family receives those gifts. We contact your adopted family to tell them your gifts are waiting for them at MOMS Orange County. We do our best to capture photos of them receiving your gifts so that you can see their happiness and the encouragement you give.
